In this regard, it is informed that the candidates appearing for the examinations have to approach any TSONline Centres or Polytechnics where they are studying or studied with recent passport size photo for registration and fee payment for obtaining the hall ticket. The student can also make the fee payment through payment gateway i.e. using Debit Card/Credit Card/Net Banking (not from Mobile). For backlog candidates the TSONline centre/Polytechnics operator will collect the Examination fee and generate the hall ticket by uploading the photo and handover the printout of the hall ticket to the candidate instantly. For this service TSONline centre/Polytechnics operator will collect service charges of Rs.15/- from the candidate per hall ticket for Normal and for Late fee and Rs.25/- for Tatkal. The candidate can generate the hall ticket directly by making payment through payment gateway (i.e. Debit Card/Credit Card/Net Banking). The regular candidates can make the fee payment by any of the above methods but the hall ticket will not be generated until the Principal certify that the candidate put up the required percentage of attendance to appear for the examination. The hall tickets for regular candidates will be generated only after getting the consent from the Polytechnics and receiving the fee collected amount to SBTET account. The candidate has to obtain the signature on the hall ticket from the concerned Head of Section/Principal before appearing for the examination. (Note: Before remitting the fee, the candidate shall ensure the eligibility status, since fee once paid is not refundable.)

Further, Principals are requested to give the necessary instructions to the Head of Sections to sign on the hall tickets obtained from the TSONline, e-Seva centres/Polytechnics/Payment gateway for subjects after thorough verification and deposit the amount collected towards examination fee through Net Banking in the SBTET account on or before the closing date and send the scanned copies of Bank deposited receipts to admin.sbtet@gmail.com.
