NOTICE TO THE DETAINED STUDENTS OF R09, R13 AND R15 REGULATIONS OF JNTUH

The students who were detained in B.Tech. I year for want of credits, may note that the next supplementary examinations will be conducted during April/May 2017, along with the regular students admitted in the academic year 2016-17. The students have to appear for the examinations in R09/R13/R15 Regulations syllabus only. The detailed time table will be placed in the website four weeks before the commencement of the examinations. The students have to register for the supplementary examinations in the failed subjects. After obtaining the required number of credits, the students will be promoted to II year I semester.

Hence the students are advised to concentrate on their studies and pass in all the subjects by utilizing this period. The students with no backlogs perform better in subsequent years of study as all the I year subjects are pre-requisites for advanced subjects at II year level.
